

Humber Valley Meeting Announcement

Wed Feb 7th 2018 @ 7:00pm

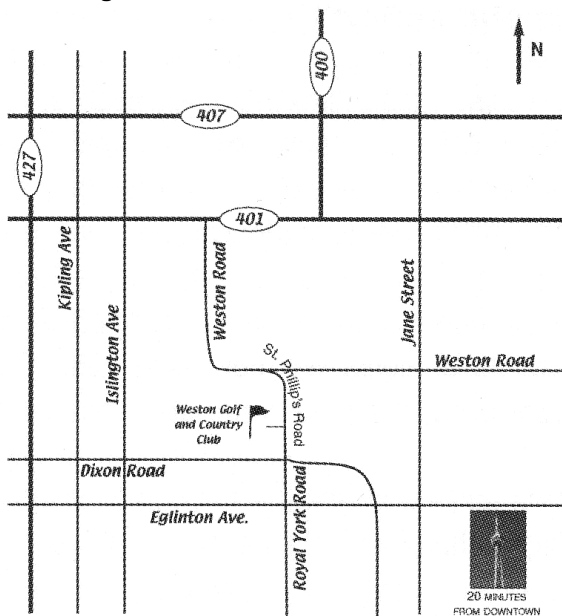

Weston Golf and Country Club

Wadsworth Room; 50 St. Phillips Road, Toronto ON M9P 2N6

Winter meetings are held at Weston Golf and Country Club located conveniently just south of the 401 at Weston Road and lots of parking. If you come via the 401, drive south on Weston Road and keep right on St. Phillips Road. Then keep a close watch for the entrance on the right past some tall hedges. It kind of sneaks up on

you! Then keep to the right and park in the lot at the rear of the building. The main entrance is right off the parking lot. The Wadsworth meeting room is straight ahead on the left. **Feel free to bring a friend.**

Snacks and soft drinks will be served. Hope to see you there!

Feb Frozen Finger Fun Fly!

Note: The February Frozen Finger event that was originally scheduled for Feb 4th has been cancelled because the

Toronto West Swap Meet is also Feb 4th and we are fully booked for Indoor flying at York University for the remaining 3 Sundays in February. However, the field is open all winter so if you want to go winter flying, you can cherry pick a good day from the weather forecast and go have at it. If you go, send us some pics so you can claim bragging rights.

Six Indoor Flying Days Left @ York University

We love the indoor flying at York University. Come out and enjoy the fun. See previous Flyers for map and details. Happy **Larry Lai** is shown at right after the successful maiden flight of his new indoor foamy on Jan 21st. At twelve years old, he is the youngest cleared pilot in the club. Great job Larry!

Web Site Help Needed!!!

Paul McMillan has been doing a great job over the last several years keeping our web site up and running but it is badly in need of a major overhaul. Many functions on the Forum and other functions that use Java plugins are not supported by current browsers. We are looking for

any member(s) with web site building and design skills to volunteer and become our new Web Master. It looks good on your resume too! If you are qualified to help, please call Paul McMillan or any executive.
