## New Year's Day Fun Fly – Tuesday Jan 1<sup>st</sup>, 11am

If Santa can do it, why don't you give it a try? Come out for our traditional Humber Valley New Year's Day fun fly on Tuesday Jan 1<sup>st</sup>. Be the first to fly in 2019 and enjoy a mug of hot chocolate!

← **Photo Left:** Santa enjoys a little stick time after delivering all the toys on Christmas Eve.

**NOTE:** If the weather outside is "frightful", check the club forum on our web site for any last minute instructions.

## Indoor Flying Update

Still 7 more Indoor days in 2019! We are using the "Field House" in the Tait McKenzie Building at 1 Thompson Rd within the York University grounds.

See the October Flyer for a map on how to get there.

Please carefully note the following dates and times.

2. Announcements
3. Review and approval of agenda
4. Review and approval of 2018 AGM minutes
5. Executive elections
6. Annual general business meeting reports
  - a. President's Report
  - b. Treasurer's Report
  - c. Field Officer's Report
  - d. Program Director's Report
  - e. Chief Flying Instructor/Safety Officer Report
7. Open discussion and new business

**NOTE:** Please watch the February Flyer for details on nominations, proxies and procedures. If you wish to run or nominate a member for an executive position, please contact **Bruce Gillespie**, Treasurer.

## Santa Says: "Happy Holidays!"

Santa wants to wish you all a very joyous holiday and a Happy and Healthy New Year for 2019. May you enjoy a year of sunny days, clear blue skies, calm winds, safe landings, short smooth grass, batteries that never quit and aerobatics filled with the grace and beauty of ballet in the sky.

## December 5<sup>th</sup> Meeting Report Innovation in Telemetry, Autopilot Technologies and Variometers ... Zoltan Pittner

Thanks very much to **Zoltan Pittner** for bringing us an in depth report on new technologies and new generation telemetry receivers. He talked about the using the power of telemetry and receivers with built in variometers to inform the RC pilot about the rate of climb or descent of his glider or aircraft. There doesn't seem to be much you can't do these days with miniature electronics. Zoltan prepared a handout with lots of

good information on both the Autopilot Parrot Disco and receivers with built in variometers. We have attached the handout to this Flyer in case you missed the meeting and would like to read it.

## December 5<sup>th</sup> Meeting Report -- Part 2 Free Giveaway Raffle!

Members who attended the December meeting had a good time and almost everyone went home with something useful and free! This was made possible by a donation from former member **Bill Prociw** who has left the hobby and moved away from Toronto. Some really good prizes were won including:

- Great Planes CG machine
- Great Planes magnetic prop balancer
- Many lots of micro 9g servos
- 42" foam Cessna ARF with four 9g servos

## 2019 Renewal Reminder

The new 2019 membership application form is again attached to this Flyer in case you haven't yet renewed. Please note the fee for renewals before Jan 1<sup>st</sup> is \$90.00. After that you will have to pay more. Fees are \$95.00 up to January 31<sup>st</sup> and \$100.00 after that.

**Renew early and save!!** We also offer membership benefits for seniors and juniors joining under the "Family" plan. See the notes on the renewal form.

*... to renew your membership today!*

You can mail your application form and cheque to **Bruce Gillespie** at the address noted on the form. It is important to fill in all the required information clearly so that we have accurate data in our membership database.
