

## Great News - Indoor Flying is BACK!!!

Why do you think Snoopy is doing his happy dance? Because we have secured a new location for indoor flying this winter - all thanks to member **Yonas Lijiam** who is a Principal in the Dufferin-Peel Catholic District School Board.

Here's all the good news:

- We have reserved four evenings from 8:15pm to 10:00pm.
- The dates are Dec 9/25, Jan 13/26, Feb 10/26, and Mar 10/26 (all Tuesdays).
- We have a huge indoor space consisting of a triple gym. It's about 80' X 150' so it's even BIGGER than the double gym we had at York University.
- Free parking!

Here's a little not so good news:

- The cost of renting the space is a lot more than our previous deal at York University. So we are asking members and guests for a voluntary contribution of \$5.00 to \$10.00 per session to help offset the cost.
- The high school is a bit farther away in Brampton but still easy to get to.

Location:

Saint Thomas Aquinas Catholic Secondary School  
25 Corporation Drive  
Brampton, ON L6S 6A2

How to get there:

- Use Waze or Google Maps for your best route.
- The school is just North of Hwy 7 and Torbram Rd.
- Plan your drive to get there at 8:00 so you can find your way inside and start on time. It's about a 25-minute drive from our Thackeray Park field if you take the 407; about 35 minutes if you take Hwy 7. We only have the gym from 8:15pm to 10:00pm.

## Mobile App Update

Our new Humber Valley Mobile App has been getting a lot of good reviews from members. Use it to log your field visit and see who else is planning to fly on any day (Field Logbook). Now Zoltan has updated the app to provide two more great functions. Check out the "Site Survey" tab to see the current Site Survey. We will keep the survey updated so you will always be compliant with CARS Part IX regulations. The second new feature lets you call up our SOC - Site Operations Certificate. To download the latest copy of the app, use the following QR Codes for your Android or iOS phone. Refer to your August 2025 Flyer for details on all the other functions.

## New Year's Day Fun Fly / Social – Wednesday Jan 1st, 11:00 AM

Come out for our traditional Humber Valley New Year's Day fun fly on Wednesday January 1st. Now that the field is back in full operation, we hope to see a good turnout for our annual New Year's Day Event. Be the first to fly in 2026! There should be enough hot chocolate to go around for everyone. Hope to see you there.

## 2025/2026 Winter Waiver Form Request

Some of you may recall from last year that our summer permit expires on November 14, 2025. This is because the City does not plow the access road to the field in the winter and will not assume any liability for people driving up the road to the field. So, to keep the field open between Nov 15/25 and Mar 14/26 (when our summer permit starts) flying we need to apply for a winter permit.

To make this happen I need as many members as possible to fill out the attached liability waiver form. Even if you are unable to fly or don't plan on flying this winter, I am asking you to sign the form and send it back to me. We want the City to know that we have an active club of enthusiastic flyers who appreciate the use of the field over the winter.

Please try to return the form over the next 7 days. Complete the form as follows:

- 1) Print your name at the top and at "Name of Operator".
- 2) Complete the field "Signed at Toronto" and enter the date.
- 3) Sign your name at "Signature of Operator".
- 4) Scan and email to me at [tgott@sympatico.ca](mailto:tgott@sympatico.ca), or
- 5) Take a picture on your smart phone and email it to me.

Thanks again for your cooperation and I hope you come out to enjoy some winter flying.

**... Tom Gottlieb, Program Director and Editor**
