5th Annual Free Outdoor
RC Swap Meet,
Fun Fly & BBQ
Sunday August 23, 2026
9:30am – 2:00pm**

See the full-page poster on page 2.

Field Leveling Project Update

Field Officer **Paul Mazzotta** is pleased to report that Phase 1 of our field leveling project is complete. Our contractor brought in a crazy amount of clean fill which was all leveled and packed flat with an industrial heavy roller. A team of hard-working volunteers have since installed our new incredible 250-foot geotextile runway and the field is open. No more hills and valleys, no more ruts and (almost) no more overshooting

the runway! Our core group of active pilots are back, and everyone is enjoying the best, longest and smoothest field in Ontario.

the field greens up again. Watch out for future emails and WhatsApp notices about the timing of Phase 2 work and what you can do to help.

Phase 2 will start in mid-September. We will bring in new loads of topsoil and have the field hydroseeded. Then it's just a matter of time until

Our new 250' geotextile runway seems to go on forever!

Kingston Radio Control Modelers Giant Scale Rally Notice

Experience One of Canada's Largest Giant Scale RC Gatherings. The Kingston Radio Control Modelers are proud to host the 38th Annual KRCM Giant Scale Rally at their flying field on August 15th and 16th. This long-standing event continues to be one of the premier giant scale aircraft gatherings in Canada—bringing together pilots, enthusiasts, and spectators for an unforgettable weekend of flying and camaraderie.
