

Humber Valley RCF Inc. Float Site

All members of HVRCF will abide by the following mandatory guidelines when flying at this Club facility. *You must be cleared* to fly at this location. Attendance at club organized events will qualify HVRCF members and allow these members to clear other members with respect to the following:

1. No propulsion system may be used as a recovery craft (Row boat/raft only).
2. Parking and other vehicle traffic is restricted and must remain at the top of the hill. (Do not unload at the beach).
3. Minimal foot path traffic between the parking area and launch site must be respected (Ontario Conservation Authority - OCA).
4. Nitro/Gas fuelling over spill(s) must have a protection mat (OAC).
5. Do not litter anywhere (Including cigarette butts).
6. Do not tamper with or remove any vegetation anywhere (OCA).
7. All HVRCF Inc. and MAAC rules are applicable at all times.
8. 88db noise limit.
