## Indoor Flying Notice - Winter, 2017

### Indoor Flying is Back! York University Site! Yes you heard right! Indoor is back at HVRCF!

We are pleased to announce the start of Indoor Flying at York University. Once again this year we have scheduled ten flying days. The University was not able to give us any Saturday time so all the days are Sundays but there are different times of the day so there is a little something for everyone here. Check the schedule carefully and try your best to make it work.

Please print this notice and mark the dates very carefully to make sure that you show up on the right day at the right time!

### Where is it?

Here is the information you need and how to get there:

We will be using the "Field House" in the Tait McKenzie Building on 1 Thompson Rd within the York University grounds. It is at the north end of campus with access from Steeles Avenue west of Keele Street. The main entrance to the building is on the south side of the building and parking is available opposite the main entrance.

### When is it?

Please carefully note the following dates and times.

Day	Date	Time
Sunday	Oct 29, 2017	9 AM - 11 AM
Sunday	Nov 12, 2017	3:30 PM - 5:30 PM
Sunday	Nov 19, 2017	3:30 PM - 5:30 PM
Sunday	Jan 21, 2018	1 PM - 3 PM
Sunday	Feb 11, 2018	1 PM - 3 PM
Sunday	Feb 18, 2018	1 PM - 3 PM
Sunday	Feb 25, 2018	1 PM - 3 PM
Sunday	Mar 11, 2018	1 PM - 3 PM
Sunday	Mar 18, 2018	1 PM - 3 PM
Sunday	Apr 01, 2018	1 PM - 3 PM

### Wow! Who do we have to thank for this?

Val Oddo has been working with the University over last month to nail down the dates and final arrangements. Thanks Val!

### Where can I park?

Park in the South lot right opposite the main entrance doors. Parking is only \$7.00. This parking lot is checked regularly by campus security and if you think you can take a chance and not pay, you will get a ticket.

### What is the space like?

The space is huge! It is a double size basketball gym. If you came out last year, you saw how great the space is for indoor flying. Don't miss the first scheduled date Sun Oct 29<sup>th</sup>.

### Looking to get into Indoor Flying?

Twisted Hobbies is a good place to start (<https://twistedhobbys.com/>) or hurry to your local hobby shop! The 32" Crack Yak is a great indoor plane or try the super light Clik R2 for amazing mind-boggling aerobatics.

← 32" Crack Yak 55

33" EPP Clik R2 "SUPER-LITE" →

### How do I get there again?

Your GPS should find it at 1 Thompson Rd but see the maps on the following page. Let's have a great turnout. Print this Flyer and keep it handy for maps and future dates.

Hope to see you there.

Tom Gottlieb, Vice President and Editor
