## Jan 1<sup>st</sup> New Year's Day Fun Fly Report

The New Year's Day Fun Fly was a big success in spite of the cold and wind. We had about 15 members and half a dozen curious neighbors show up wondering who would be crazy enough to get up early on New Year's Day and fly model airplane in such freezing weather. About 6 actual airplanes took to the air to claim the first flights of 2015. The hot chocolate helped keep out the cold.

It was a special treat to have Santa show up for the celebration and take a flight in Jon Holme's Super Cub. After delivering all those toys on Christmas Eve, he needed a break. See picture attached.
