

## Humber Valley Meeting Announcement

**Wed Nov 4<sup>th</sup> 2015 @ 7:30pm**  
**Northwood Community Center**  
**New Room #10 - Basement Level**

Please note that the winter meetings are scheduled on the first Wednesday of each month from October to April. Come out to meet other members, participate in club discussions, make suggestions for next year, and enjoy a winter program of speakers, movies, special events and more. **Feel free to bring a friend.**

**Here's how to the get there:** Take Sheppard Ave East of Jane or West of Keele to Arleta Ave. Turn north on Arleta to Clubhouse Court. Turn right to **#15 Clubhouse Court**. The Northwood Center is straight ahead on the left. *Note that Clubhouse Court does not meet Sheppard Ave. You have to get to it from Arleta Ave.*

## Come Hungry to the Nov 4<sup>th</sup> Meeting

There's nothing like good food to ensure a good meeting and the Humber Valley Pizza Club is still going strong due to popular demand. No time to stop in for dinner before the club meeting? No problem! Just come to the meeting hungry. Better get there

early though, before the mad rush, to make sure you get the best selection.

## Nov 4<sup>th</sup> Meeting Program Announcement

- Flight School Experience
- Home Flight Simulators

### Danny Karaiskakis

Come to the Nov 4<sup>th</sup> meeting to listen to club secretary **Danny Karaiskakis** talk about his experience with flight school training. We're not talking about RC. This is the real thing! If you were ever interested in getting your real wings and becoming a private or commercial pilot, this is the meeting to attend.

You also know that Danny loves to tinker and build so he has also put together his own home built flight simulator complete with real stick and pedal controls. How the heck did he do that? Where did he get the plans, specs, parts and programs for it? If I tell you now, I will have to kill you. You will have to come to the meeting to find out. Danny plans to bring it to the meeting so you can actually climb into the pilot seat and take it for a spin! This should be one of the most interesting and informative winter programs ever. Hope to see you there!

## Oct 7<sup>th</sup> Meeting Report

Thanks to **Paul McMillan** who gave a report of the participation by Humber Valley club members in IMAC events in 2015.

There was a US / Canadian added challenge this season for the IMAC North Central Region. They created the "America's Cup" which used the highest raw scores from one contest in the USA and one contest in Canada. The US won in June in Saranac,

MI and Canada won in August in Sault Ste. Marie. **Domenic Teti** brought in the trophy (right) and stopped for a photo op (above). Congratulations to our club members who competed and did so well.

## Combat Event Sunday Oct 25<sup>th</sup> - Report Article by Mike Gerace

A dreary dawn blew in through my window shades as I realized that again, I'd over slept. I quickly dressed – Long johns, heavy wool socks, a t-shirt, double lined flannel shirt – Then pulled on my flight jacket - grabbed a hot tea

and immediately boarded the lorry that would deliver me to the air field. I disembarked to a flurry of ground crew and pilots readying their P-51's as the sun broke through a thick overcast while the relentless wind strained my weakened muscles.

I couldn't shake the feeling that this, was the last time, the last mission - - - - That's when the fun began.

### The 2015 Humber Hawks Combat Competition

10 unafraid combat killers dressed for the weather as described above got ready to destroy their friends and fellow members. The 1st heat of 5 ended with no leaders and damage. Heat #2 of 5 was fierce – Cut streamers - P51 and BF-109 foam rained down from the sky in 35 km winds with gusts to 50 km. 6 Survivors with back-up and repaired planes raged on in the next heat. Three winners arose from the ashes and bits of foam.

- 1st place - Domenic Teti
- 2nd - Cameron Wilde
- 3rd - Danny Karaiskakis

A big thanks to **Bruce Gillespie** (MAAC Combat Chair) who made this event happen. **Michael D'Antonio** who helped with many of the event aspects and BBQ. Also **George Gooderham** – Aerial photography.

Sorry if you missed it – Happy flying ... Mike

**Editor's Note:** George Gooderham is putting together a video of the HVRCF Combat Competition and will bring it to show at the November 4th meeting! Should be fun. [Don't miss it!](#)

## 2016 Renewal Reminder

The new 2016 membership application form is attached to this Flyer and we will have copies available at the November 4<sup>th</sup> meeting. Please note the fee for renewals before Jan 1<sup>st</sup> is only \$75.00. What a deal! After that you will have to pay more. Fees are \$80.00 up to January 31<sup>st</sup> and \$100.00 after that. **Renew early and save!!** We have also maintained membership benefits for seniors and juniors joining under the "Family" plan. See the notes on the renewal form.

... to renew your membership today!

Make sure you have the correct amount in cash or bring a cheque to the meeting to renew. You can also mail your application form and cheque to **Bruce Gillespie** at the address noted on the form. It is important to fill in all the required information clearly so that we have accurate data in our membership database.

## Happy Halloween

Looking for something really different? Try building an RC flying witch for Halloween. If you look online, you will see there are lots of attempts at figuring out how to build a powered flying broom.

Lots of fun on YouTube too. Just search for "RC Airplane Halloween Witch".

Those landings are a killer though! Happy "trick or treating" this weekend.

## Editor's Report – Tom Gottlieb

The Humber Valley Flyer is published monthly from October to April. The last winter meeting is the first Wednesday in April so the last official winter Flyer will be the April edition. I always send out the Flyer one week prior to each winter meeting. During the summer there is usually summer edition depending on the timing of summer events. The Flyer is e-mailed to all members and any club

friends and past speakers who have expressed interest in club activities. E-mail is the easiest and cheapest way to keep in touch. Paid up members who do not use e-mail are sent a paper copy via regular mail.

The Flyer has a circulation of about 235 consisting of:

- 102 paid up 2015 members by email
- 15 paid up 2015 members by regular post mail
- 118 non-member web site subscribers by email

**NOTE:** All past Flyers going back to December, 1999 are available on the club's website in the "Library" section. I am proud to say I have never missed and issue. You can get a real sense of the history of the club and some interesting and fun reading by looking through some of the old Flyers.

If you are receiving this Flyer by regular paper mail and would be willing to accept it by e-mail please send me a note ([tgott@sympatico.ca](mailto:tgott@sympatico.ca)) and I will change your distribution preference and save the club the cost of a stamp each month! Also if you move or change your e-mail address, please let us know so that we can update our records and make sure you don't miss an issue.

Thanks and I hope everyone enjoyed this past summer of flying.

... Tom Gottlieb, Editor
