

Humber Valley Meeting Announcement

Wed Oct 7th 2015 @ 7:30pm

Northwood Community Center

New Room #10 - Basement Level

Please note that the winter meetings are scheduled on the first Wednesday of each month from October to April. Come out to meet other members, participate in club discussions, make suggestions for next year, and enjoy a winter program of speakers, movies, special events and more. **Feel free to bring a friend.**

Here's how to get there: Take Sheppard Ave East of Jane or West of Keele to Arleta Ave. Turn north on Arleta to Clubhouse Court. Turn right to **#15 Clubhouse Court**. The Northwood Center is straight ahead on the left. *Note that Clubhouse Court does not meet Sheppard Ave. You have to get to it from Arleta Ave.*

Come Hungry to the Oct 7th Meeting

There's nothing like good food to ensure a good meeting and the Humber Valley Pizza Club is still going strong due to popular demand. No time to stop in for dinner before the club meeting? No problem! Just come to the meeting hungry. Better get there

early though, before the mad rush, to make sure you get the best selection.

Oct 7th Meeting Announcements

IMAC Update - Paul McMillan

A number of members have been inspired by challenge, fun and success I achieved at IMAC last year resulting in increased participation by Humber Valley club members in IMAC events in 2015.

In Ontario we had 4 contests this season and I was able to attend all of them. HVRCF was probably the best represented club at Ontario contests this year. We had **Domenic Teti, John Neves, Val Oddo** and **Shaobo (Michael) Lei** and I all compete in IMAC this season. Domenic moved up to Sportsman class this year and finished in second place for Ontario points. If he had not had ignition trouble at the regional championship in Saranac, MI he very likely would have finished in third place for the North Central region. John Neves attended three contests and finished in second place for Ontario Basic class points. Shaobo got first place in Basic class at his first IMAC contest. Val did very well at his first contest and I'm sure he will be back for more. I finished in first place for Ontario points in Sportsman class and second place for the North Central region.

I have really enjoyed adding IMAC scale aerobatics to my hobby and I'm glad to have others from HVRCF join in the fun. I think Domenic and I will both move up to Intermediate class for next season.

There was a US / Canadian added challenge this season for the IMAC North Central Region. They created the "America's Cup" which used the highest raw scores from one contest in the USA and one contest in Canada. The US won in June in Saranac, MI and Canada won in August in Sault Ste. Marie. Domenic is in possession of this trophy and I have asked him to bring it for show and tell.

Hope to see you at the first winter meeting on October 7th.

... Paul McMillan, President

Show and Tell

Got a cool project or plane to show off? Bring it to the October meeting please!

Your 2015 Executive

President, Paul McMillan..... (905) 851-7387
 Past President, Pat Knight (416) 225-2687

 Secretary, Danny Karaiskakis (416) 356-1295
 Program Director, Milton Charlton (416) 783-6413
 Field Officer, John Neves (416) 937-8579
 Chief Instructor/Safety Officer, Tony Phan (416) 436-8088

Other Appointed Positions:

Web Master, Paul McMillan..... (905) 851-7387
 Librarian, Roy Gee (416) 749-8793

Summer Combat Event *** POSTPONED *** to Sat Oct 17th (Rain Date Sun Oct 18th)

Bruce Gillespie - MAAC Combat Chair

Due to bad weather forecasted for Oct 3rd, this event has been postponed. Check the forum for updates before the event. HVRCF is holding the first Combat event for the season. Pilots man your planes! (200 watt power limit) most of you have the P51 Combat plane Start time is 10:00 am

There will be at least three rounds of 5min each. This will depend on the number of participants. Scores will be recorded to determine first second and third place standings.

There is a bit of planning required to have the event run smoothly. Please RSVP on the club forum your intention to participate.

It is recommended you do some practice flights before this date. We plan to have time to charge batteries and repair damage between rounds.

Mike Gerace and I attended the North Simcoe Flyers combat event and had a blast. This is the most fun you can have with an RC airplane.

... Bruce Gillespie, Treasurer

Summer Float Fly Report - Sunday Aug 16th Milt Charlton, Program Director

About 25 people attended the Float Fly on Sunday, August 16. Thanks to **Danny Karaiskakis**, **Bruce Gillespie**, **Peter Poli**, and **Tony Phan** for transporting the boat. Thanks also to **Andrei** for bringing his inflatable fishing boat which came in handy. The event was enhanced by the flyby or a real Lancaster and a Beaver. I would like to take credit for arranging this as your Program Director but it was just a lucky fluke! Danny, Bruce and Mike kept a watchful eye on safety. Thanks to advice from old hands, I flew my Apprentice for the first time on floats. The event was lots of fun! Below are the pics to prove it.

... Milt Charlton, Program Director

What's going on at the field...

Mark Willer's son **Callum**, age 7 (and HVRCF junior member) got his first flight on Sunday September 20th, thanks to instructor **Amadeusz**. We thought it would be fun to publish this photo of the event. If he ever becomes club president, he will remember this day.

Danny Karaiskakis brought out his beautiful scale electric

Twin Otter and gave us a treat with some low flybys.
