

Humber Valley Meeting Announcement Wed Feb 5th 2014 @ 7:30pm Northwood Community Center New Room #7 - Basement Level

Please note that the winter meetings are scheduled on the first Wednesday of each month from October to April. Come out to meet other members, participate in club discussions, make suggestions for next year, and enjoy a winter program of speakers, movies, special events and more. **Bring a friend!**

Here's how to get there: Take Sheppard Ave East of Jane or West of Keele to Arleta Ave. Turn north on Arleta to Clubhouse Court. Turn right to **#15 Clubhouse Court**. The Northwood Center is straight ahead on the left. *Note that Clubhouse Court does not meet Sheppard Ave. You have to get to it from Arleta Ave.*

Free Pizza at the Feb 5th AGM!

Program Director **Jon Holmes** has decided it's time to go back to good old fashioned pizza for this meeting due to popular demand. No time to stop in for dinner before the meeting? No problem! Just come to the meeting hungry. Better get there early though, before the mad rush, to make sure you get the best selection.

Calendar of Upcoming Events

Sat Feb 1 st	Indoor flying North Albion Collegiate 12:30 to 2:30 PM

Book early to avoid disappointment!

Feb 5th Meeting Program – Jon Holmes The Joy of Building SIG ¼ Scale J3 Cub Project

It seems these days there are few members left standing who are prepared to invest the time required to take on a serious build project. Fortunately, our own **Jon Holmes** is one of those. There is nothing like the pure joy and satisfaction of watching something you created from a pile of sticks in a box take off on its maiden flight with mechanics, electronics, carpentry, plumbing, art, and aerodynamics all working in harmony and grace under a clear blue sky. Such is the passion and obsession that Jon has for building, and he is going to tell you all about it at the February meeting with his HUGE (105" span) SIG ¼ scale J3 Cub.

A complex build like this is a matter of solving one problem after another and never giving up. Sometimes a build problem takes several days to solve, but once you have figured it out, it all seems simple. Come join us at the February meeting to see the Cub and hear Jon talk about how he came to own this vintage SIG kit and what motivated him to build it. At the time of writing, he is three weeks into the build and going strong. By Feb 5th, he expects it to be well on its way and ready for an early spring launch. Hope to see you there.

President's Message – Paul McMillan

I would like to thank our members for all they have done to make 2013 another great and safe flying year for Humber Valley. The field was always in great condition, thanks to **Ernie Dawson** and all the volunteer grass cutting crew. I hope everyone enjoyed the use of the field this season. Thanks again to **Tom Gottlieb** for his time spent updating our Constitution. Let's get everyone out for our AGM for executive elections and a review of club operations. I am looking forward to warm weather soon to kick off another year of flying. Winter is a great time to get caught up on maintenance of your fleet, building projects and repairs but don't forget to come out for the FFFFFFFF on Feb 23rd. Hope to see you there. ... Paul

Your 2013 Executive Committee

President, Paul McMillan.....	(905) 851-7387
Past President, Pat Knight.....	(416) 225-2687
