

Humber Valley Meeting Announcement

**** NOTE NOW WEDNESDAYS!**

Wed Feb 6th 2013 @ 7:30pm
Northwood Community Center
Room #10 - Basement Level

Please note that the winter meetings are now scheduled on the first Wednesday of each month from November to April. Come out to meet other members, participate in club discussions, make suggestions for next year, and enjoy a winter program of speakers, movies, special events and more. **Feel free to bring a friend.**

Here's how to get there: Take Sheppard Ave East of Jane or West of Keele to Arleta Ave. Turn north on Arleta to Clubhouse Court. Turn right to **#15 Clubhouse Court**. The Northwood Center is straight ahead on the left. *Note that Clubhouse Court does not meet Sheppard Ave. You have to get to it from Arleta Ave.*

Free Pizza at the Feb 6th AGM!

Program Director **Jon Holmes** has decided it's time to go back to good old fashioned pizza for this meeting due to popular demand. No time to stop in for dinner before the meeting? No problem! Just come to the meeting hungry. Better get there early though, before the mad rush, to make sure you get the best selection.

Take Hwy. 11 north to Orillia, then Hwy. 12 west to Fairground Rd. Turn right, first building on left.

President's Message – Paul McMillan

I know that some clubs can have multiple fields registered and thought it would be good to try to have two additional fields included with our MAAC registration. The additional fields would be North Albion Collegiate for indoor winter flying and the Indian Line Campground for float flying (previously sanctioned for 2 events). I did discuss this with **Brad Egan** our new MAAC zone director back in November to get his

thoughts and to see if there was any potential objection or requirements. I am happy to report that our registration has been renewed until Dec 31, 2015 and that both additional sites have been included with our MAAC Club Registration.

I wish you all a very Happy New Year and look forward to see those who can make it out to the FFFFFFFFFFFFFFFF. ... Paul
