

### Humber Valley Meeting Announcement

**\*\* NOTE NOW WEDNESDAYS!**

**Wed Dec 5<sup>th</sup> 2012 @ 7:30pm**  
**Northwood Community Center**  
**Room #10 - Basement Level**

Please note that the winter meetings are now scheduled on the first Wednesday of each month from November to April. Come out to meet other members, participate in club discussions, make suggestions for next year, and enjoy a winter program of speakers, movies, special events and more. **Feel free to bring a friend.**

**Here's how to get there:** Take Sheppard Ave East of Jane or West of Keele to Arleta Ave. Turn north on Arleta to Clubhouse Court. Turn right to **#15 Clubhouse Court**. The Northwood Center is straight ahead on the left. *Note that Clubhouse Court does not meet Sheppard Ave. You have to get to it from Arleta Ave.*

### Come Hungry to the Dec 5<sup>th</sup> Meeting

Program director, **Jon Holmes** decided he was getting tired of pizza at the winter meetings and is mixing it up with other tasty treats. Will it be Pizza? Will it be KFC? Maybe Chinese food? Who knows? The only

way to find out is to come to the meeting and taste for yourself. No time to stop in for dinner before the club meeting? No problem! Just come to the meeting hungry.

### Calendar of Upcoming Events

Sat Dec 1 <sup>st</sup>	Indoor flying North Albion Collegiate 12:30 to 2:30 PM

Wed Jan 2 <sup>nd</sup>	Cancelled! NO JANUARY MEETING!
Wed Feb 6 <sup>th</sup>	Club Meeting - Executive Elections - Annual General Meeting (AGM)

### North Albion Collegiate Indoor Flying

We have received our permit for indoor flying for the following dates up to the end of 2012. We have also been assured we will receive the balance of the dates requested but the school will not issue the permit yet as there is some internal discussions going on at School Board about the rates for 2013. When resolved they will issue another or revised permit to cover us until the end of March.

Current dates we have are

- Saturday November 24<sup>th</sup> 12:30 – 2:30 (past)
- Saturday December 1<sup>st</sup> 12:30 – 2:30
- Saturday December 15<sup>th</sup> 12:30 – 2:30

There was some discussion about moving the indoor flying to Sundays but the school is not staffed for Sunday use and they want us to leave by 2:30 for the same reason. Watch the forum for updates on indoor flying dates and times.

**Note: North Albion Collegiate Institute is located just south of the field at 2580 Kipling Avenue on the west side.**

### New Year's Day Fun Fly – Sun Jan 1<sup>st</sup>, 11am

If Santa can do it, why don't you give it a try? Come out for our traditional Humber Valley New Year's Day Fun Fly on Sunday Jan 1<sup>st</sup>. Be the first to fly in 2012! We will have coffee and hot dogs for you to enjoy!

← Photo Left: Santa enjoys a little stick time after delivering all the toys on Christmas Eve.

### Field Improvement Notice – Gravel Paving

The area around the gate at the field is now surrounded by a fresh layer of new gravel generously donated by **Andrei Kouzmitchev**. It was obtained by Andrei and applied with the supervision of our Field Officer **Ernie Dawson**. Thanks to Andrei for getting taking this initiative and helping the club. The gate area was getting very muddy and is now much improved.

### 2013 Renewal Reminder

The new 2013 membership application form is attached to this Flyer and we will have copies available at the December 5<sup>th</sup> meeting. Please note the fee for renewals before Jan 1<sup>st</sup> is only \$75.00. What a deal! We have also introduced new membership rules for seniors and juniors joining under the new "Family" deal (see below).

*... to renew your membership today!*

Make sure you have the correct amount in cash or bring a cheque to the meeting to renew. You can also mail your application form and cheque to **Bruce Gillespie**. It is important to fill in all the required information clearly so that we have accurate data in our membership database.

- 1) **Family Deal:** Full open members may enroll their Junior children or spouse for FREE as a family member. Each family member must complete an application form and have MAAC to fly.
- 2) **Senior Long Standing Member Benefit:** Member fees are waived for any member aged 75 or over who has been a member continuously for last 7 years.

## Dec 5<sup>th</sup> Meeting Program Announcement First Person View – Zoltan Pittner

First Person View (FPV) flying has really “taken off” over the last few years and the advancement of technology in this field is nothing short of amazing. We are fortunate that the chair of the FPV Committee for MAAC is **Zoltan Pittner**, a long time Humber Valley member and very active flyer at our field.

In particular Zoltan has worked very hard to have MAAC adopt an official set of FPV rules which were published in the November MAAC magazine.

Zoltan will provide his perspective on FPV and discuss and demonstrate all the latest innovation in this fast growing field. Zoltan will also explain the new rules and the impact these will have on the hobby.

### New Generation Hobbies

YOUR ONE STOP FPV SHOP

Zoltan is the owner of New Generation Hobbies where you can get all the latest FPV equipment and great advice. See [www.nghobbies.com](http://www.nghobbies.com). If you were wondering what all the fuss is about in FPV, this is the meeting to attend.

## Onslaught over Ontario 2012 Report

It all went down on November 11, 2012 when four of our finest Humber Valley “Hawks” descended on the unsuspecting fighters from the Cobble Hills Fighter Group near London, Ontario.

Humber Valley’s honor was proudly defended by **Danny Karaiskakis, Bruce Gillespie, Jon Holmes, and Dave Fallowfield** (shown left to right below). In spite of unbelievable pressure and a highly trained and disciplined enemy, Dave Fallowfield snagged 3rd place and a good time was had by all.

Our valiant team brought in some of their arsenal of WWII aircraft to the November meeting and will make a presentation at the December meeting to share their battle scars and stories. Please attend to show your support for our brave team.

**Jon Holmes** shows his combat fleet at the December meeting

**Terrence Allen** showed his new electric ducted fan jet complete with after burner engine glow and lights.

**Tom Gottlieb** brought in his micro electric Ring Rat built from a Stevens Aeromodel kit. The electronics were converted from a wrecked 4-Site and is proving to be real aerobatic winner.

## Your 2012 Executive

President, Paul McMillan .....	(905) 851-7387
Past President, Pat Knight.....	(416) 225-2687
