

Humber Valley's Meeting Announcement

Tuesday Feb 7th, 2012 @ 7:30pm
Northwood Community Center
Room #10 - Basement Level

Please note that due to the future closing of the Canadian Air & Space Museum, we have moved our winter meetings to the Northwood Community Center. Meetings will held on the first Tuesday up to April. Come out to meet other members, participate in club discussions, make suggestions for next year, and enjoy a winter program of speakers, movies, special events and more. **Feel free to bring a friend.**

Here's how to get there: Take Sheppard Ave East of Jane or West of Keele to Arleta Ave. Turn north on Arleta to Clubhouse Court. Turn right to **#15 Clubhouse Court**. The Northwood Center is straight ahead on the left. *Note that Clubhouse Court does not meet Sheppard Ave. You have to get to it from Arleta Ave.*

Free Pizza at the Feb 7th AGM!

There's nothing like good food to ensure a good meeting and the Humber Valley Pizza Club is going into its 7th year now due to popular demand. No time to stop in for dinner before the club meeting? No problem! Just come to the meeting hungry. Better get

there early though, before the mad rush, to make sure you get the best selection.

Yes the AGM is coming Feb 7th

It is important that you attend the Feb 7th meeting because this is the club's Annual General Meeting.

The following agenda is planned for this meeting.

1. Last chance to renew to vote at the AGM.
2. Announcement of executive nominations
3. Executive elections
4. Annual general business meeting reports
 - a. President's Report
 - b. Treasurer's Report
 - c. Field Officer's Report
 - d. Program Director's Report
5. Open discussion and new business

NOTE: As of the date of publication of this Flyer, the following candidates have been nominated and are standing for executive positions. Any further nominations will be announced at the AGM. If you wish to run or nominate a member for an executive position, please contact **Bruce Gillespie**, Treasurer.

Current nominations are:

- President: Paul McMillan
- Vice President: Tom Gottlieb
- Treasurer: Bruce Gillespie
- Secretary: Open for nomination
- Field Officer: Ernie Dawson
- Program Director: Jon Holmes
- Junior Representative ... Enrique Ponte Ojeda

NOTE: Make sure you bring your renewal form and exact change or cheque to renew if you want to vote!

2012 Renewals and Nominations Notice

Since the Feb 7th meeting is the AGM, it's your last chance to renew your membership and still participate in the 2012 executive elections. We will accept renewals at the beginning of the meeting. If you are paying cash, **PLEASE BRING THE EXACT AMOUNT** if possible and your **COMPLETED** renewal form. We will also have extra forms on hand.

If you wish to nominate someone for any executive position, you may do so in advance or from the floor prior to the elections. Please be patient and follow instructions at the meeting as we will need to check members against the member list prior to the vote to ensure that we have a quorum of 2012 members attending.

Helicopter Rule Motion Vote at AGM

The following motion was debated and proposed at the December meeting and will be voted at the AGM meeting. This rule is in addition to the current field rule with respect to helicopter flying on the main field.

“Be it resolved that any fixed wing cleared pilot may fly rotary wing aircraft restricted to the Helipad only.”

New Year’s Day 2012 Fun Fly Report

Thanks to all the guys that showed up for the New Year’s Day Fun Fly. I got there about 10:30 and **Paul McMillan** and **Terrence Allen** were there and had been flying. I managed a quick flight with my Bad Boy and got down just as the rain set in. It was downhill from there as the rain intensified and would not let up. **Rick and Bruce** attended along with **Dan, Zoltan, Mitch and John Thompson**. Perhaps not the worst New Year’s Day weather we have had - we have certainly had

colder and windier days - but I would say it was right up there.

Thanks to Paul for the coffee, hot chocolate and Timbits and for the few brave hardy souls who gave it a shot. **Dan Paluzzi** helped with the BBQ Hot Dogs! Let’s hope for better weather for the FFFFFFFF.

Scratch Built Turbo Beaver

Tom Gottlieb brought in a new Turbo Beaver to the December meeting which was scratch built by Steve Szekely who retired from De Havilland about 10 years ago after working there for nearly 30 years in the machine shop. Steve used to build wind tunnel test models for De Havilland and when he retired, started building Beavers and other airplanes from the original De Havilland plans. This one is modeled after a real Turbo Beaver shown above sporting an Inuit Raven art paint scheme.

"When I saw this Beaver hanging at RC Sports and Hobbies, I just knew I had to have it!" says Tom. "I had been looking for a real float plane after a less than happy performance at the summer float fly with planes that frankly were never meant to get wet. Can't wait to maiden it in the spring."
