Saturday Oct 1/2011 - Humber Valley's Fabulous Freaking Fall Float Fun Fly Fantasy Food Fest & Feeding Frenzy (FFFFFFFFFFFF)

I am pleased to announce that our annual fall float fly is back. Last year we were unable to hold the event due to the fact that the cottage property was undergoing major renovations. But thanks again to **David Niblett**, we have secured the use of the site this fall. The weekends were all booked up for September but October 1st was open so we grabbed it. We always have a great turn out so grab your woolies for the cool fall weather and come out to have some fun and tasty BarBQ lunch. The cottage is on beautiful Lake Rosseau. It is a perfect site with a shallow beach for launching and open view of the lake. There are very few boaters on the lake because most cottagers are back in the city.

Lake Rosseau is about 2 ½ hours drive from Toronto in the heart of Muskoka. The plan is to drive up early Saturday morning, enjoy some great morning flying, enjoy a BarBQ lunch, more open flying until about 3pm and head home in the afternoon. Sound like a plan!

**NIBLETT COTTAGE DIRECTIONS
LAKE ROSSEAU, MUSKOKA
(705) 765-7488
1552 JUDDHAVEN ROAD**

- Take Hwy 400 north from Toronto
- Continue on Hwy 400 to 400 extension ie Hwy north to Parry Sound (goes off to the right just north of Barrie then crosses over top of Hwy 11)
- Take 400 extension north to Hwy 69 which goes off to the right – Exit 189
- Continue on Hwy 69 north to Foots Bay (approximately 8 km)
- Just before the town of Foots Bay, (not the sign that says Foots Bay) take Hwy 169 South to Gravenhurst (which goes off to the right)
- Stay on 169 South to Gravenhurst for approximately 10 km to Hwy 118 (118 South to Bracebridge)
- Turn left onto 118 (South to Bracebridge) and take for approximately 5 km to road No. 7
- Road 7 or Min. Road 7 is called Peninsula Road
- Turn left onto Peninsula Road and take for 10 km (through Port Sandfield - cross a one lane swing bridge) to the very little town of Minett (don't blink!)
- At Minett turn right (only way you can turn - the Corner Store will be right in front of you) onto the Juddhaven Road
- From that right turn the cottage is 6.2 km along the Juddhaven Road (note that the road makes a sharp left turn 500 meters after you have turned onto the Juddhaven Road - going straight you will end up at Clevelands House reception area)
- Getting close to the cottage, approximately 5.8 km along Juddhaven Road you will go down a hill and at the bottom there will be on the left (just off the road) a small Lodge with a white fence (which is gone now – a big hole in the ground however, parts of the fence are still there) and immediately to the right you will see the lake - approximately 10 meters away
- Then you will go up a hill, go slow because the cottage is at the top on the right -light green double car garage with a large white garage door/ crush stone driveway with large rocks on either side - **THAT'S IT! 1552 JUDDHAVEN RD. & GOOD LUCK!**
