

Humber Valley's Meeting Announcement Tuesday Mar 1st, 2011 @ 7:30pm

Our fall and winter meetings are held at the Canadian Air & Space Museum on the first Tuesday of each month from October to April at 7:30pm.

Here's how to get there: From the 401 East or West, exit at Keele Street North. Turn right on Sheppard Ave, and follow Sheppard to the entrance to Downsview Park. Turn right into the park

onto John Drury Lane until you reach Carl Hall Road. Turn left at Carl Hall and continue east over the railway tracks to the museum, which is on your right.

Engine Donated for Club's Eagle 2 !!

Radio Controlled Sports and Hobbies

SHIPPING RADIO CONTROLLED PRODUCT AND ACCESSORIES WORLDWIDE SINCE 1999
Sales & Technical support: (905)850-9389 8-5732 Hwy. 7 W. Woodbridge Ontario, Canada. L4L 3A2

Humber Valley wishes to express thanks to Richard from RC Sports and Hobbies who generously donated a new SuperTiger GS-40 BB ringed engine for the club's Eagle 2 trainer. This trainer is used for student instruction and demo flights and had a tough year last year due to poor compression and dead sticks. The old engine was just plain worn out. This new engine will give the Eagle a new lease on life this year.

Thanks so much to RC Sports and Hobbies for this donation.

Safety Rule Reminder – Frequency Board

Safety Officer **Tony Phan** wishes to remind all members that our rules require

that you post your club and MAAC membership cards on the frequency board even if you fly 2.4 GHz. There is a row of hooks for 2.4 GHz flyers. This is to prove to the club that you are a member and that you have current MAAC insurance.

No Post → No fly!!!

Aurora Swap Meet

The Aurora Model Aircraft Club is having its annual swap meet and expo on Sunday March 27th. This year it will be at a new bigger location at the Markham Fair Grounds in and occupy two connected buildings with over 24,000 square feet of space and 120 vendor tables. See:

AGM Meeting Report

The AGM took place on Feb 1st and in spite of dire warnings about the impending snow storm, we managed to attain a quorum and hold legal executive elections. Thanks to all those who turned out to support the club and especially our new executive for shouldering the responsibility for club affairs for 2011. We say thanks also to **Dan Paluzzi** who did a fine job of Secretary and Treasurer since 2003 and **Eric Gallas** for managing the field last year. Please welcome your new 2011 executive and give them your support and help this year.

Your new 2011 executive is:

- President: Pat Knight
- Vice President: Paul McMillan
- Chief Instructor/Safety Officer.... Tony Phan
- Treasurer:..... Bruce Gillespie
- Secretary..... Paul McMillan
- Field Officer:..... Rocco Vita
- Program Director: Steve Simpson
- Junior Representative Enrique Ponte Ojeda

Bruce Gillespie, Treasurer

Remembering Wally Jaremko

Please take a moment to remember our former club president and long time RC enthusiast, and friend, **Wally Jaremko** who passed away after a courageous battle with cancer at Toronto Grace Hospital on Friday, February 18, 2011, with his family by his side. Lt. Col Walter Jaremko was Commanding Officer of 400 (City of Toronto) (F) Squadron RCAF, Member of Etobicoke Lawn Bowling Club, Past President of Humber Valley Radio Control Flyers, Past President of Humber Seniors Curling Club and Member of Chalet Golfers.

Wally's MAAC member number was 37731L which tells you both that he has been a long time member and that as a "Leader" member, he made a difference and a contribution to RC and was respected and honoured by his peers. He was a good friend to many Humber members, was always positive and loved everything RC. He will be sorely missed.

Humber's Lost Dream RC Raffle Returns!

It has been a while since our last Dream Raffle and our new executive thought this is just what you need to get your mojo going in time for spring. This raffle has something for everyone whether you are a gas or electric flyer. See the great prize list below. We will also add minor prizes to the list as we get closer to the draw depending on ticket sales. But you can't win if you don't buy some tickets. The more you buy, the better your chances of winning!

Calling for donations... Paul McMillan, Vice President has generously donated a kit for this draw. If you have a good plane, kit, ARF, or engine gathering dust and you want to donate it to the raffle, contact **Steve Simpson**, Program Director.

Here's the deal and all the rules.

- 1) Raffle tickets will be sold at the Mar 1st, Apr 5th and May 3rd meetings.
- 2) The raffle will be drawn at the end of the May meeting.
- 3) Write your name on each ticket purchased and we will enter them in a sealed box for the draw.
- 4) Can't attend? No problem. Just mail your cheque and tickets to **Bruce Gillespie**, Treasurer at the address on the draw ticket form we will mail out next month.
- 5) If you attend the May meeting and your name is drawn, you may select your preferred prize from the remaining prizes.
- 6) You need not attend the May meeting to win. If your name is drawn and you are not in attendance, you will be called to collect your prize. However, you will be awarded a remaining prize not picked by attending winners.
- 7) Any member may win only one prize. If your name is drawn twice, another ticket will be drawn for the next prize.

Ticket prices are:

- \$2.00 each
- \$5.00 for 3 tickets
- \$10.00 for 7 tickets

Prize #1: DLE – 20 Gas Engine!

Glow power isn't the only option anymore. The DLE-20 Gas Engine not only fills the displacement gap, but includes a beam mount to make the glow-to-gas upgrade fast and easy. A rear pumper carb simplifies installation and adjustment. A generous package of "extras" and electronic ignition for starting ease make the DLE-20 an attractive alternative to glow.

Prize #2: EFLU1080 by E-flite

E-flite's UMX Extra 300 3D is an indoor single-wing ultra-micro aircraft created for the intermediate to advanced skilled pilot to experience 3D aerobatic flight all in one convenient Bind-N-Fly package for DSM2 aircraft transmitter owners.

Prize #3: It's a secret. We will tell you later.

If I tell you I will have to kill you!

March 1st Meeting Announcement Engines 101 – a complete guide to Glow, Gas and Electric Power.

We will provide a seminar on all the pros and cons of different types of engine power including safety and maintenance tips. This seminar will be hosted by **Rocco Vita**, **Tony Phan**, and **Steve Simpson**. Come for lively discussion and bring all your questions.

Show and Tell

All projects welcome at the March 1st meeting. Bring in your baby and let us see it!

Free Pizza at the Meeting!

Don't worry! There will be free pizza at the March meeting!

North Albion Collegiate Indoor Flying

Thanks to club member **Dave Edwards** for arranging indoor access at the Collegiate. These are turning out to be a lot more fun and challenging than originally expected. Remaining winter dates include: Mar 5, Mar 19, Apr 2, Apr 16, Apr 30 so mark your calendars and plan to attend. North Albion Collegiate Institute is located just south of the field at 2580 Kipling Avenue on the west side.

Snow Plowing Thanks!
