

It's BBQ Fun Fly Season – Sun Jul 11th

Oh Yeah!

Nothing says "Summer" like a good old fashioned Barbeque so we figured what could be better than meeting up with all your Humber friends to show off your flying and also get all the hot dogs and burgers you can eat!

Calendar of Upcoming Events

Sun Jul 11 th	Summer Barbeque Fun Fly 10:00am to 3:00pm
Sep, 2010	Float Fly at Dave Niblett's cottage - to be announced

Some Fun Fly Rule Reminders

Our field is more popular than ever and we are expecting a big crowd for this event. The club executive wants you to be aware that there will be extra controls in place. We have revised and updated the club safety rules and re-published them on our web site. Please re-read the safety rules before you come to this event. When there are so many people and airplanes at the field all at once, we just need to be extra careful.

A reminder from **Tony Phan**, Safety Officer:

All members are asked to re-read the club's safety rules provided on the club's web site. Your continued membership in the club and the enjoyment of flying privileges are contingent on your following all club rules.

In particular, at the next fun fly, we will:

- Have a pilot meeting at 10 o'clock to review safety
- Enforce a flying circuit direction
- Enforce a 5 airplane limit at one time
- Assign safety monitors with authority to ground any flyer

Humber Valley's Summer Fun Fly and Prize Raffle for 2010

Sun Jul 11/09 10AM - 3PM

At this Fun Fly, **Steve Simpson** has some special treats in store for you. This is what we have planned:

Food: And lots of it!

Sometimes our Fun Flies are like feeding frenzies so come hungry and we will not disappoint you.

Great prizes!

- 4 - \$25 gift certificates from A&J Hobbies
- 2 - \$20 jugs of fuels from A&J Hobbies

Trial Float Site Report

Bruce Gillespie was the main catalyst for organizing a trial Float Fly which was held on June 13th. Vice President **Paul McMillan** helped with planning and supervised the event on behalf of the executive. The event was originally scheduled for June 6th but needed to be postponed due to logistics and weather.

The purpose of the event was to allow our MAAC Zone Director, **Clair Murray**, to evaluate the site's potential as a float site for our club. If you want to check out the site, it is located only 10 minutes from our current field at:

Indian Line Campground
7625 Finch Ave.W., Brampton, ON L6T 3Y7

To get there:

- Travel west from our flying field along Steeles Ave. (5 km)
- Turn south (left) on to Finch Ave.(first light west of Hwy 50)
- Travel south a short way, and turn in at the blue Indian Line Campground sign on your left, just after going under the railway bridge.
- The site is in the north east corner of the campground.

The event went very well with about a dozen active float flyers participating. Bruce is expecting input back from Clair Murray before we will

know if MAAC approves it for future events. We did not see much in the way of curious crowds but Gary spoke to some folks living in a trailer in the camp. There was a good mix of electric and nitro glow powered planes represented. Gary had a kayak there as a retrieval boat and Bruce setup a canopy for shade and a dining tent for shelter in case of rain.

Your 2010 Executive

President, Pat Knight..... (416) 225-2687
 Vice President, Paul McMillan..... (905) 851-7387

Editor, Tom Gottlieb (416) 781-3189
 Web Master, Barry Collingwood (416) 925-6588
 Librarian, Roy Gee (416) 749-8793

Beeton Club Notes:

Many thanks to the Beeton RC Flyers who invited Humber Valley members to fly at their field during the G20 summit when we were shut down. Saturday was pouring rain but a few members managed to get some flights in on Sunday.

Looks like there is a lot more interest in float flying lately. See this notice from the Beeton RC Flyers below.
