

Humber Valley's Meeting Announcement Tuesday Oct 7th, 2008 @ 7:30pm

Here's how to get there: From the 401 East or West, exit at Keele Street North. Turn right on Sheppard Ave, and follow

Sheppard to the entrance to Downsview Park. Turn right into the park onto John Drury Lane until you reach Carl Hall Road. Turn left at Carl Hall and continue east over the railway tracks to the museum, which is on your right.

2008 Hobby Show Cancelled? ☹

It's hard to say what's exactly going on with the Annual Hobby Show but it appears from the web site and a few other clues that the show has been taken over by new owners and has been cancelled until next year, November 2009! Stay tuned for more details. We will update you if we hear anything.

Field Officer Report - Gary Del Bel Belluz

Our field officer **Gary Del Bel Belluz** is constantly working behind the scenes on field improvements and maintenance.

This year as always he has lots to report and will provide a recap at the October 7th meeting on what was done this year and what is planned for next year. This would be good time to bring your ideas, comments and suggestions to the October meeting so that Gary can make plans for next year.

First Club Winter Meeting, Oct 7th @7:30pm

- Open discussion on club business
- Field Officer Report
- Photo Show – Zoltan Pittner
- Show and tell invitation – **BRING IN YOUR PROJECTS**

So where the heck did the summer go! Here it is – Fall already! We hope you had a great flying season and enjoyed the good weather. But don't despair. Those long hot days of summer were great but the wonderful display of fall colours and cool weather still makes for great flying in the coming months. Later, you can dust off your skis and fly right through the winter!

Zoltan Pittner took over 300 photos at the Fall Float Fly so we asked him to bring a bunch in to show at the meeting. He will also bring a new type of craft. It is called a "Quadrocopter" -

and this specific version is a "Mikrokopter" from Germany. It has 4 motors and propellers and it is so stable that almost flies itself. Come to the October meeting to see it fly!

Your 2008 Executive

President, Mario Lopez..... (416) 243-2741
 Vice President, David St. Louis (416) 995-3875
 Secretary & Treasurer, Dan Paluzzi (905) 303-0500

 Past President, Joseph Young (416) 831-4765

Appointed Positions:

Chief Instructor, Tony Phan (416) 514-1551
 Editor, Tom Gottlieb..... (416) 781-3189
 Web Master, Barry Collingwood (416) 925-6588
 Librarian, Roy Gee (416) 749-8793

Free Pizza at the October Meeting!

There's nothing like good food to ensure a good meeting and the Humber Valley Pizza Club is going into its 4th year now due to popular demand. No time to stop in for dinner before the club meeting? No problem! Just come to

the meeting hungry. Better get there early though, before the mad rush, to make sure you get the best selection.

Tue Feb 3 rd	Club Meeting • Executive Elections • Annual General Meeting

Field Garbage Pick Up Notice!

There has been a lot of garbage accumulating at the field lately. Please pick up your garbage and take it home with you!

First Freaking Fall Float Fun Fly Fantasy & Food Fest

FFFFFFFFF – Sept 13/08 Event Report

By all accounts the Float Fly was a home run! The weather - believe it or not was just perfect. The sun broke out here and there during the day and the winds were mostly calm. The odd time it may have hit 5 kmh. **Dan Paluzzi** and **Gary Del Bel Belluz** actually had RC sailboats but could barely get them to move!!!

We had 9 float planes in all that flew and no mishaps unless you count the time that Johnny took one step too far and fell off the edge of the dock. Fortunately, he was just preparing to take off and he managed to keep the TX dry. For many members, it was their first experience on floats. Everyone universally declared the day a huge success and hoped for a repeat next year.

Food courtesy of **Rocco Vita** and **Mario Lopez** hit the spot and **Lisa and David Niblett** (Photo below) were gracious hosts and very generous to share their ideal cottage location on Lake Rosseau for the event. The fall is an ideal time for a float fly because most cottagers have left for the school season. We saw only 2 or 3 power boats drive by the whole day.

Thanks to all who participated in the fun. Hope to do it again next year!

Gary getting ready to launch.

Getting things set up on the dock.

Is it a bird or a plane? Actually it's Zoltan's plane.

This really is Gary's Cub. The photo in the Sept/08 Flyer was a fake – It was actually a real Cub!

Does this look like fun or what?
