

## Humber Valley's Meeting Announcement Tues Oct 3<sup>rd</sup>, 2006 @ 7:30pm

Here's how to get there: From the 401 East or West, exit at Keele Street North. Turn right on Sheppard Ave, and follow

Sheppard to the entrance to Downsview Park. Turn right into the park onto John Drury Lane until you reach Carl Hall Road. Turn left at Carl Hall and continue east over the railway tracks to the museum, which is on your right.

Not to scale

## Don't Forget the Fall Fun Fly coming up this weekend!!!

### Humber Valley's Fall Fun Fly Sunday Sept 10, 2006 10:00AM to 2:00PM

Come out for some food, fun and prizes at our annual Fall Fun Fly. Barbecue and refreshments will be provided by the club. Bring out your favorite flyer as we plan to have numerous fun events and lot's of prizes.

- Want to fly? ... We've got that!
- Want to win prizes? ... This is the place!
- Want free food? ... We have that too!
- Want great sex? ... Take Viagra!

Bring your friends, your "significant other" and your kids to see the show and enjoy our favorite Humber Valley competitions and demonstrations.

### Gate and Shed Lock Reminder

Some vandals have been trying recently to get into the shed and managed to cut the steel bracket and remove the lock. Fortunately, nothing was stolen. It has been reinforced and replaced. So it's more important than ever to always lock the shed and the gate if you are the last to leave the field.

**LAST PERSON OUT ...  
DON'T FORGET...  
LOCK THE GATE!**

### Handy Transport Wagon Purchased

Great news! Gary Del Bel Belluz has purchased a utility wagon for use in hauling your stuff to and from the parking area. We are getting a lock for it that hopefully matches the gate key. If you are the last person to use the wagon, please make sure you lock it back up. Remember – driving your car up onto the gravel pits area is not allowed according to Humber Valley and MAAC safety rules.

### Calendar of Upcoming Events

Sun Sep 10 <sup>th</sup>	Fall Fun Fly 10:00am to 2:00pm
Sat Sep 23 <sup>rd</sup>	Humber's IMAC Aerobatic Competition – 10:00am to 2:00pm (Rain Date – Sunday Sep 24 <sup>th</sup> )
Tue Oct 3 <sup>rd</sup>	Opening winter meeting at the Toronto Aerospace Museum – - Club business discussions - Live RC flying cockpit video

### First Club Winter Meeting–Oct 3<sup>rd</sup> @7:30pm

- Open discussion on club business
- Gary's new live Cub cockpit videos

The first Club Winter Meeting is set for Tuesday October 3<sup>rd</sup> at 7:30pm at the museum. We plan on having an open discussion forum on everything and anything members want to discuss about the 2006 season and anything that members want to do for 2007. In particular there has been lots of discussion at the

field about the coexistence of helicopter and fixed wing flyers and we are looking for your input on club policy going forward.

Also Gary will be bringing in some new video and talking about how he installed a 2 pound high

resolution camera in his Cub and will show some amazing new video sequences taken at the field. You won't want to miss this. It's like actually being in the cockpit!

## Humber's (IMAC) Competition Sat Sept 23<sup>rd</sup> 10:00AM to 2:00PM (Rain Date: Sunday Sept 24<sup>th</sup>)

This aerobatics competition will be open to all HVRFCF members, and will follow the IMAC Basic Pattern. IMAC changes the sequence every year and below

is the 2006 version. Members interested in participating in the event should contact **Dave Sanders** or **David Plank** and let us know that you intend to compete so we can make plans accordingly. The 2006 sequence has some new twists so it should be a lot of fun this year. Also, we are holding the event in September so everyone should be back from summer vacations and be in good form to compete.

### IMAC 2006 Basic Pattern

Below are the required maneuvers. They can be done from either direction depending on the wind direction.

1. Roll
2. Humpty Bump; vertical upline, 1/2 inside loop over the top, 1/2 roll on vertical downline
3. Half Reverse Cuban 8; pull to 45° upline with 1/2 roll, 5/8 inside loop
4. Loop
5. Hammerhead
6. Sharks tooth; pull to 45° upline with 1/2 roll, pull to vertical downline, pull to exit level.
7. Figure 9; pull to vertical and pull a 5/8 loop
8. Half Cuban 8; 5/8 inside loop, 1/2 roll on 45° downline
9. Immelman; 1/2 inside loop, 1/2 roll
10. One and Half spin.

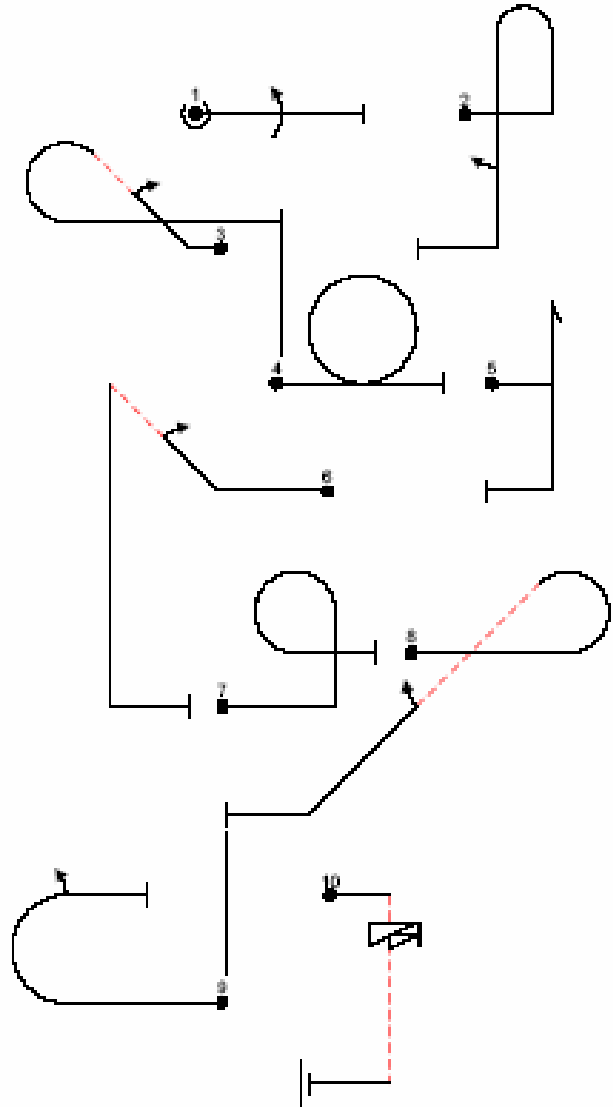

This year's IMAC pattern should be lots fun. We need new members to participate. You only need to be an intermediate flyer to run this pattern so come out and participate.

### Your 2006 Executive

President, David Plank	(647) 438 8191
Vice President, Gary Del Bel Belluz	(416) 741 8181
Secretary & Treasurer, Dan Paluzzi	(905) 303 0500
Program Director, Pat Knight	(416) 225-2687
Events Coordinator, Dave Sanders	(905) 271 3141
Field Officer, Gary Del Bel Belluz	(416) 741 8181
Past President, Tom Gottlieb	(416) 781 3189

### Appointed Positions:

Chief Instructor, Peter Heeley	(416) 921 1392
Editor, Tom Gottlieb	(416) 781 3189
Web Master, Barry Collingwood	(416) 925 6588
Librarian, Roy Gee	(416) 749 8793

### Thanks to Humber's Grass Cutting Team!

The club wants to express its appreciation for all the members that contributed their time to all those who volunteered to cut the grass this summer. The field has never been in such great shape and now with the City's help in leveling the field, we can look forward to an even better 2007 season. The Humber Valley Grass Cutting team consisted of:

- Gary Del Bel Belluz
- David Plank
- Jeff Shimo
- Allan Arthurs
- Eric Gallas
- Dan Paluzzi
- Pat Knight
- Guy Nicolo
- Jon Holmes
- Ernest Dawson
- Peter Heeley
- Rick Van Amelsfort
