## Humber Valley has a New Winter Home!

After much trouble with the public school board we are pleased to report that your executive has located a new meeting facility that is ideally suited to our needs. I want to especially thank Wally Jaremko who has spent many days of his personal time dealing with the school boards, scrambling to arrange an emergency location for the October meeting, and spending many hours calling all the members to inform them of the location change. There is a real shortage of meeting facilities in Toronto. The school boards now want \$95.00 per night. Libraries charge \$90 to \$120 for meeting rooms in North York, and Community Centers and restaurants want from \$150 to \$300 to rent party rooms.

Wally has a permit at the **Northwood Community Center** with...

- Ample no hassle parking for 200 cars
- Large clean meeting room for monthly meetings
- Available for our Wednesday meeting schedule
- Available for our spring ground school classes
- and best of all...**IT'S FREE!!!!!!**... because we are a non-profit club with members living in Toronto.

This center is close to our old location north off Sheppard and west of Keele. Please support the club and come out to these meetings. Note the address and map below and keep the winter meeting schedule on your calendar.

## 2001 Membership Renewals

You will receive your 2001 membership renewal form with the next issue of the flyer. If you bring it to the December meeting and renew at the meeting you will be eligible to win a 4 channel radio system. What a deal!

### The Hobby Show

Don't forget to attend the Hobby Show at the International Center this year. see

[www.thehobbyshow.com](http://www.thehobbyshow.com)

## Humber Valley's Dream Engine Raffle

Your executive is working all the time to come up with new ideas. After much discussion we have decided to give you what you really want. You don't want another raffle with a large number of small prizes. If you needed a spare glow plug, another tube of ZAP, or a jug of fuel, you would go out and buy it, right? What you really want is that 4-stroke beauty you have had your eye on all summer. You know - the one with the realistic deep throat sound and the torque you need to give you the unlimited vertical you deserve. You're tired of that screaming 2 stroke 40 or 46. You're ready for the big ka-huna and this is your chance to win it at the Humber Valley Dream Engine Raffle.

### Here's the deal and all the rules.

- 1) Raffle tickets will be sold at the November, December, and January meetings.
  - 2) The raffle will be drawn at the end of the January meeting.
  - 3) You must have renewed your membership by the January meeting to qualify for the draw.
  - 4) You will write your name on each ticket purchased and enter it into a sealed box.
  - 5) You may buy tickets at any or all meetings in November, December or January.
  - 6) Can't attend? No problem. Just mail your tickets and cheque to the address shown on the form.
  - 7) You need not attend the January meeting to win. If your name is drawn and you are not in attendance, you will be called to collect your prize.
- 8) There will be 3 prizes ONLY and they are:
- 1<sup>st</sup> Prize: OS .91 4 stroke engine
  - 2<sup>nd</sup> Prize: Great Planes CG Machine
  - 3<sup>rd</sup> Prize: Top Flight Prop Balancer
- 9) Tickets prices will be:
- \$2.00 each or
  - \$5.00 for 3 tickets
  - \$10.00 for 7 tickets

This is your chance to win great prizes that you can really use. Don't delay. Buy early. Buy often to win!

Depending on the success of this raffle, we plan to offer a second similar raffle for the April meeting. But we need your participation. You know what to do! Buy lots of tickets!

**1<sup>st</sup> Prize: OS .91 4-stroke** -You want this engine don't you?

**2<sup>nd</sup> Prize: Great Planes CG Machine** – take the guesswork out of balancing

**3<sup>rd</sup> Prize: Top Flight Prop Balancer** – eliminate vibration and airframe damage

### E-mail Address List

I am now using the e-mail address list to send out club information. If your address is not on the list, please send it to me at [tgott@iprimus.ca](mailto:tgott@iprimus.ca).

### Items Wanted or For Sale?

E-mail, mail or call Tom Gottlieb for postings of items wanted or for sale to appear in future editions of the Flyer. These were very successful last year.
